November 9, 2016

Dear Boys & Girls of Chester Supporter:

The Boys & Girls Club of Chester (BGCC) invites you to help us reach our fundraising goal of \$100,000 at our “Building Bridges for Children” Fundraising event on December 7, 2016.

“The club” has a long history in Delaware County, spanning back to 1930. Over this 86 year period we have remained true to our mission of providing a safe & nurturing environment for youth that promotes academic excellence, healthy lifestyles, good character and citizenship.

Like many other nonprofits, BGCC has overcome major challenges over the years. However, with supporters such as yourself, we continue to stand firm, serving the youth that need us most. Our belief is that ALL Chester youth reach their full potential and make a successful transition to adulthood, while giving back to their community now and in the future.

We enact this vision through programs including but not limited to: 1) Power Hour – tutoring & homework help; 2) Gardening & Nutrition; 3) Summer Camp – all inclusive; 4) Basketball & Mentoring; 5) Soccer for Success; 6) Robotics & Scuba Diving; 7) Girl Scouts; and 8) Face Forward II, our largest program that supports court-involved youth in addressing employment barriers.

BGCC youth are primarily African- American and Latino; ranging in age from 6- 18 years, the majority of whom fall below the poverty level. This means we cannot provide needed youth services without sustained external funding FROM YOU.

I do hope that you will strongly consider supporting “the club” and know that we are grateful for your time and the infinite possibilities that your support will provide.

To learn more about the club, please visit our website at: www.boysgirlsclubchester.com. *Boys & Girls Club of Chester is a 501C3 organization - EIN# 23-1490049.*

Sincerely,

Janet S. Riley-Ford, MSW, LSW
Executive Director

a night of building bridges for
CHILDREN

Help us build bridges to success for our most precious resource - our children. Partner with Delaware County's only nationally-accredited Boys & Girls Club to create bridges of support.

The proceeds will go directly to the programs of the Club including: Power Hour-making every minute count, Scuba Diving, Robotics, Children's Garden, Nutrition, Club Tech and many more to create a successful future for our youth.
